The Butler Memorial Hospital Foundation is the charitable cornerstone of Butler Memorial Hospital.

"We make a living by what we get,
but make a life by what
we give."

– Winston Churchill

Philanthropy Changes Lives.

Giving to those in medical-need benefits the patient, supports their families and enhances our community. When we choose to listen to that voice deep within us that calls us to care for and support others, we inspire others to do the same. Philanthropy is life-changing and incredibly impactful.

The work of Independence Health System Foundations reaches the tiniest, sometimes fragile, new lives that we help bring into this world, supports our patients when they receive a dreaded cancer diagnosis, provides life changing equipment for patients who are rushed into our emergency departments, invests in our bright new family practice residents, and helps to underwrite many community health outreach initiatives.

Donations, large and small bring about remarkable change and inspire all of us.

How Do I Give?

Gifts can be made online, by personal check, money order, or credit card.

The Foundation also arranges other means of contribution, such as the transfer of stock, bequests, and pledges. To receive information on any of these donor options, contact the Butler Memorial Hospital Foundation at 724-284-4409.
